Computer Graphics Laboratory

Lab Test 3

Date: 25.02.26

1. Write a program with OpenGL to plot a circle using Bresenham's Circle Algorithm.
(For student ID: 220201-220220)
2. Write a program with OpenGL to plot a circle using Midpoint Circle Algorithm.
(For student ID: 220221-220242 & Old batches)

In both cases, Given the center of the circle (h, k) and the radius of the circle r .
